Additional liberal arts hours to reach a total minimum of 60 liberal arts hours, including a Lifespan Psychology course. Please contact an admissions counselor at Fisher and your advisor at CCC to review options for completing this requirement.

**Application to Begin the Clinical Year:**

Priority review of completed nursing applications begins April 1. Applicants enrolled in participating 2+2 nursing programs must have all documentation submitted no later than April 1 if applying to begin the program in the fall. All other applicants will be reviewed on a space available basis for fall and alternatively for the spring semester. Review of completed applications will continue for both the fall and spring semesters as capacity allows.

- To be *considered* for admission to the clinical portion of the program students must achieve a minimum cumulative grade point average (GPA) of 2.75.
- Grade of ‘C or higher required in each of the seven nursing prerequisite courses listed above
- Ethics, with a grade of C or higher, must be completed prior to beginning the program.
- Note: Cumulative GPA is calculated using all undergraduate college level course work.
- Score 84% or higher on the Math Assessment Level A exam (two attempts allowed).
