**Application to Begin the Clinical Year:**

Students must first apply to the College and upon acceptance, will be directed to apply to the Wegmans School of Nursing for admission to the junior clinical year. Priority review of completed nursing applications begins April 1. Applicants enrolled in participating 2+2 nursing programs must have all documentation submitted no later than April 1 if applying to begin the program in the fall. All other applicants will be reviewed on a space available basis for fall and alternatively for the spring semester. Review of completed applications will continue for both the fall and spring semesters as capacity allows.

- To be *considered* for admission to the clinical portion of the program students must achieve a minimum cumulative grade point average (GPA) of 2.75 with preference of 3.0.
- Grade of C or higher required in each of the seven nursing prerequisite courses listed above (two attempts per course allowed) with cumulative GPA of 2.4.
- Ethics, with a grade of C or higher, must be completed prior to beginning the program.
- Note: Cumulative GPA is calculated using all undergraduate college level course work.
- Score 84% or higher on the Math Assessment Level A exam (two attempts allowed).
